

8TH GRADE NEWSLETTER

MAY

AMERICAN HISTORY

This month Historians find themselves studying the causes of the Civil War and the Civil War. Students will become soldiers on the front lines as they find out what it meant to be in the Civil War.

LIFE SCIENCE

In Science we are ending the year becoming Botanist, which means we are learning all about plants! We finished our chapters on behaviors, biomes and evolution. We hope for a happy and healthy summer for all!!

MATH

Pre-Algebra: This month students will be working on data analysis and different types of displays.
Algebra: This month students will be working on radical functions and equations..

ENGLISH

Eighth grade English students have worked very hard with their writing skills this year. They will be reviewing their portfolio writing, and continue to practice different forms of writing in their responses to the literature that will be covered in class.

READING

Students will complete a unit on "The Diary of Anne Frank" during this month. AR points for this quarter are due on May 15.

BIG EVENTS

May 11 - 8th grade field trip - Henry Doorly Zoo

May 18 -- End of 4th quarter - Last Day of school
